Welcome to HABIBMETRO Web Banking Services

Dear HabibMetro Customer, with immediate effect all VISA Debit Cards will be temporarily blocked for International usage. Customers who wish to use their card abroad can call at 021-111-142242 to unblock their card for international transactions.

It appears that you have not changed your password since too long. Therefore, it is advised to please change your password and set a new password for your account to ensure security.

Changing password after a certain period of time is recommended to limit the potential abuse of compromised passwords.

Potential Risks:

- Passwords are often stolen without the knowledge of victim, and stolen passwords often are not used immediately.
- If an attacker gain access to your online banking account, they will log in and attempt to transfer money and most likely use the access to cause damage.
